

Dear Parents,

On Friday, February 2<sup>nd</sup> BES is celebrating the 2018 Winter Olympics by hosting our very own version in BES style. The students are asked to dress warmly as we will be spending the afternoon outdoors. An extra set of mittens packed in school bags would be appreciated, as the students will be having their regular recesses outdoors as well and we want all the children to be comfortable for our afternoon events.

The Kindergarten students are preparing to celebrate their 100<sup>th</sup> day of school on Friday, February 9<sup>th</sup> and would like to invite the entire school population to join us in our celebration by dressing up like they are 100 years old. This is a chance for us all to get creative in our costumes; think hair, glasses, outfits. We hope all students will join us in celebrating the number 100! The Kinders thank you in advance, for joining in the fun.
